

# Program Overview

|          | Monday,<br>October 13, 2014                            | Tuesday,<br>October 14, 2014  | Wednesday,<br>October 15, 2014                               | Thursday,<br>October 16, 2014      |
|----------|--|---|--|------------------------------------|
| 08:30 am | Opening Session  |   |  |                                    |
| 09:00 am | Plenary: Market Reports and Framework Conditions       | Plenary: Systems and Components   | Task 39 - Polymeric Materials for Solar Thermal Applications | Solar Heating and Air-conditioning |
| 10:00 am | Coffee Break   | Coffee Break  | Coffee Break   |                                    |
| 10:20 am | Industry Session                                       | Plenary: Solar Applications in the Building Environment                     | Plenary: Solar Resources and Markets                         |                                    |
| 10:45 am |  |   |  |                                    |
| 11:30 am | Poster Session   | Poster Session  | Closing Session  |                                    |
| 12:05 pm |  |   |  |                                    |
| 12:30 pm | Lunch  | Lunch   | Lunch  |                                    |
| 01:30 pm | Solar Thermal Collectors                               | Task 47 - Renovation of Non-Residential Buildings to Sus-tainable Standards | Technical Tour 1<br>CABR                                     | Technical Tour 2<br>Vicot          |
|          | Thermal Storage  | Durability and Reliability / Standards and Certification / Water Heating    |  |                                    |
|          | Solar Heating and Air-conditioning                     | Solar Heat for Industrial Processes / Solar Refri-geration                  |  |                                    |
| 03:15 pm | Coffee Break   | Coffee Break  |  |                                    |
| 03:45 pm | Solar Thermal Collectors                               | Solar Thermal Collectors / Thermal Storage / Solar Resource Assessment      |  |                                    |
|          | Other Innovative Components and Systems                | Water Heating / Solar Heating and Air-conditioning                          |  |                                    |
|          | District Heating / Solar Heat for Industrial Processes | Solar Architecture / Building Integration / Urban Planning                  |  |                                    |
| 05:30 pm |  |   |  |                                    |
| 06:00 pm |  |   |  |                                    |
| 06:30 pm |  |   |  |                                    |
| ...      |  | Conference Dinner   |  |                                    |
| 10:00 pm |  |   |  |                                    |
